Kunstaussstellung - Kramsach

FROM COLOUR CREASES TO LINE SCULPTURES by KATJA DUFTNER at the Kunstforum Kramsach Troadkastn; works, painted with oil and shaped with painting knives developed wrinkles over time that are reminiscent of the ageing of human skin. In contrast to this are Katja Duftner's current sculptures, which consist of lines. These lines symbolise the interplay of chaos and order. Fascinating works that reflect both the transience and the structure of our existence. The exhibition is open daily (except Sunday) from 1:00 - 6:00 p.m. through 20th December; admission free!
